

3RD ANNUAL BOOKS FOR KIDS

The Big J Show Cares is a non-profit focused on taking care of the people of the Billings area. Books For Kids' goal is to get books into the hands of K-5 students. Each sponsored student receives a book to add to their home library every month of the school year.

FAST FACTS

-  61% of low-income families have no books at all in their homes for their children.
-  Creating a steady stream of new, age-appropriate books has been shown to nearly triple interest in reading within months. Children with greater access to books and other print materials express more enjoyment of books, reading, and academics.
-  Children growing up in homes with at least twenty books get three years more schooling than children from bookless homes, independent of their parents' education, occupation, and class.
-  Children who aren't reading at grade level by the end of third grade are four times as likely to drop out of high school.

EDUCATION FOUNDATION BILLINGS PUBLIC SCHOOLS
